Re: Letter in Support of BZA Case No. 20363 – 514 Archibald Walk, SE

Dear Members of the Board,

We own 513 7th St., SE, the rear of which is directly across from 514 Archibald Walk, SE. We are writing to give our support for the captioned BZA application. We have spoken to Peter and Karen Byrne, the owners of the property, and they have been responsive in answering our questions.

We understand that they are requesting special exception relief from the Board of Zoning Adjustment in order to add a second story to the existing garage and convert most of it to a residential unit. We also understand that this project is subject to review by the Historic Preservation Review Board, and appreciate the proposed design of the building. Therefore, we support this request and look forward to seeing the finished project.

Thank you for your time and consideration.

Regards,
