Re: Applicant's Response to Request to Postpone - BZA Case No. 20382 (308 11th Street, NE)

Dear Members of the Board:

The Applicant objects to the Parties in Opposition attempt to further postpone the scheduled hearing. The revisions to the plans are extremely minor in nature, and in fact slightly reduce the massing of the proposed addition. Also, the Applicant's response was in direct response to the Opposition's filing and presented no new information.

We have not yet read the Opposition's latest filing – the amended request to postpone; but assume it offers nothing that would change the Applicant's position on this question.

Respectfully Submitted,

Martin P. Sullivan, Esq.
