This is a formal request to postpone our hearing, BZA Case 20389. The reasons for the postponement are as follows.

- The applicant was not able to present to the full ANC and as such, the ANC will not be able to submit a statement as to the support or non-support of our application. A special ANC hearing was held on Monday 22 February; however, there was not a quorum present and our presentation was cancelled.
- As the architect for the project and the owner's representative, I have recently tested positive for COVID-19.

We are also submitting a letter of authorization, designating Toye Bello to act on behalf of the owner during the hearing. See attached.

Thank you in advance for considering the postponement.

Best - Greg
