Re: **BZA Application of Francis and Mary Frances Smyth – 515 10<sup>th</sup> St. SE**

Dear Board of Zoning Adjustment:

I own 517 10<sup>th</sup> St. SE, the property adjacent to the property subject to an application before the Board. My neighbors, Francis and Mary Frances Smyth, are seeking relief from the District of Columbia Zoning Regulations in order to construct a second story to their existing garage. They are seeking a Special Exception for relief as follows:

The proposed lot occupancy of 64.6%, exceeds the allowed lot occupancy of 60% (11 DCMR Subtitle E, Section 304.1).

They have shared the drawings of the proposed addition that have been submitted with their application to the BZA. I have reviewed the drawings and support the proposed addition.

I recommend that BZA grant the request for Special Exception relief.

Sincerely,

**Allison Meyers, Owner**
