

Government of the District of Columbia

Department of Transportation

d. Planning and Sustainability Division

MEMORANDUM

TO: District of Columbia Board of Zoning Adjustment

FROM: Anna Chamberlin, AICP 
Associate Director

DATE: April 9, 2021

SUBJECT: BZA Case No. 20445 – 106 13th Street SE

APPLICATION

106 13th Street, LLC (the “Applicant”), pursuant to Title 11 (2016 Zoning Regulations) of the District of Columbia Municipal Regulations (DCMR), Subtitle X, Chapter 9, requests a use variance from the use restrictions of Subtitle U § 301; pursuant to Subtitle X § 1002 to expand an existing, nonconforming, restaurant use to the cellar level. The site is located in the RF-1 Zone at 106 13th Street SE (Square 1036, Lot 60) and a 10-foot public alley to the west of the property.

RECOMMENDATION

The District Department of Transportation (DDOT) has reviewed the application materials and has determined that the proposed action will not have adverse impacts on the District’s transportation network. DDOT has no objection to the approval of this application as the existing use of the premises is currently a restaurant to be expanded to the cellar level. The subject property has been consistently used for commercial purposes for several decades. The project is also a neighborhood-serving business and will generate additional foot traffic along 13th Street SE.

PUBLIC SPACE

DDOT’s lack of objection to this application should not be viewed as an approval of the public realm design. If any portion of this or future projects at the property propose elements within District owned right-of-way, the Applicant is required to pursue a public space permit through DDOT’s permitting process. Specifically, if the Applicant decides to provide café patio seating in the sidewalk area, a public space occupancy permit will be required.

DDOT expects the adjacent public realm to meet all District standards. The Applicant should refer to Titles 11, 12A, and 24 of the [DCMR](#), the most recent version of DDOT’s [Design and Engineering Manual](#)

Board of Zoning Adjustment
District of Columbia

(DEM), and the [Public Realm Design Manual](#) for public space regulations and design guidance. A permit application can be filed through the DDOT [Transportation Online Permitting System](#) (TOPS) website.
