Good Morning,

I am writing as a neighbor in support of the Pacci's development by Lincoln Park. While previous attempts to build a neighborhood restaurant at this location have failed, I believe that a 130-seat establishment will have the commercial viability to be a community mainstay.

This is about a 20-minute walk from my home. My wife and I frequently travel further to Barracks Row or Navy Yard for a good meal. We look forward to having a family place that we can visit frequently just around the corner.

Best,
