Hello,

I'm writing to share my support for opening the restaurant and approving the zoning required to do so as part of case 20445. I grew up on Capitol Hill, and I love having mixed uses on our blocks. Going to restaurants near parks and homes is what makes a city like DC so livable. A successful restaurant here would make DC a better place for those who already live here, like my parents who want to age in place.

Thank you.
