Dear Sir/Madam:

We are responding to your letter requesting zoning verification of the mentioned property at 1525 K Street, SE, Washington, DC.

Overall, we feel the amendment that would allow this to take place is not in the best interest of the citizens of 15<sup>th</sup> Street, S.E. and we strongly urge you to reconsider your decision.

Some of our appositions is based on these potential/problem negative effects:

- The loss of neighborhood and community character
- A decrease in the market value of our homes
- Increased traffic congestion adding to an already occurrence

the amount of noise that will be generated will be unbearable for area residents. Idling trucks will sacrifice the air quality, and the surrounding area will be littered with inside traffic.

Sincerely,

Mr. Anthony. Kittrell
