

# Government of the District of Columbia

## Department of Transportation

### d. Planning and Sustainability Division

#### MEMORANDUM

**TO:** District of Columbia Board of Zoning Adjustment

**FROM:** Anna Chamberlin, AICP   
Associate Director

**DATE:** June 11, 2021

**SUBJECT:** BZA Case No. 20467 - 232 10th Street SE

---

#### APPLICATION

Geoff Anderson and Harriet Tregoning (jointly the “Applicant”), pursuant to Title 11 (2016 Zoning Regulations) of the District of Columbia Municipal Regulations (DCMR), Subtitle E § 205.5, Subtitle E § 5201 and Subtitle X § 902.1, a special exception from the lot occupancy restrictions of Subtitle E § 304.1 and the rear addition restrictions of Subtitle E § 205.4 to construct a three-story with cellar and roof deck, rear addition, to an existing attached principal dwelling unit. The site is located in the RF-1 Zone at 232 10th Street SE (Square 0969, Lot 0083) and served by a 30-foot public alley.

#### RECOMMENDATION

The District Department of Transportation (DDOT) has reviewed the application materials and has determined that the proposed action will not have adverse impacts on the District’s transportation network. DDOT has no objection to the approval of this application.

#### STREETScape AND PUBLIC REALM

DDOT’s lack of objection to this application should not be viewed as an approval of the public realm design. If any portion of this or future projects at the property propose elements within District owned right-of-way, the Applicant is required to pursue a public space permit through DDOT’s permitting process. DDOT expects the adjacent public realm to meet all District standards. The Applicant should refer to Titles 11, 12A, and 24 of the [DCMR](#), the most recent version of DDOT’s [Design and Engineering Manual \(DEM\)](#), and the [Public Realm Design Manual](#) for public space regulations and design guidance. A permit application can be filed through the DDOT [Transportation Online Permitting System \(TOPS\)](#) website.
