Dear Chairman Hill,

I am writing to respectfully request that you deny the River School's application for a special exemption and that you support ANC3e who voted to oppose the application on October 14, 2021.

I live at 4225 43rd Street NW

I am actually stunned that this is even being considered. As it stands now, we already have AU Law, Janney Elementary, GDS, St. Albans Childcare Center, St. Columba nursery and NPS all within several blocks of each other! During certain times of the day the neighborhood is completely packed with cars. Walking home from school with my 3 children is always stressful as drivers are often impatient at intersections due to the amount of traffic they have endured just to go a few blocks. And let's be honest, this is not some project for the

common/public good. This is an extremely expensive and exclusive private school that is trying to force it's way into our neighborhood. I urge you to deny the exemption and thank you for your time.

Best regards,

Alexander Dobert
