Support

I am writing to support the establishment of the River School at 4220 Nebraska Ave.

The location borders a residential St and a commercial Avenue. I live in ANC3E and frequently drive past that intersection (Nebraska and Van Ness and nearby 42nd St. I do not believe that traffic will be impacted except briefly and acceptably at arrivals and departures. A tree border would provide adequate separation of the school property from the residences on 42nd St. AU property borders one side.

I support the placement of the school.
