Dear Chairperson and Secretary of the BZA,

As a resident of ANC 3E (5005 Belt Road), I support The River School's proposed new campus at 4220 Nebraska Avenue. Throughout this process, the school has gone to great lengths to coordinate with neighbors and has made changes to accommodate preferences related to both appearance and concerns about traffic. I have watched the school respond to every request given of them at the recent ANC meetings.

River has committed to lowering trip counts significantly and investing in other traffic mitigation measures at surrounding intersections. I am confident The River School will effectively manage carpool queues and traffic flow to reduce community concern and impact.

Thank you for your diligent and thoughtful consideration of their proposal.

Sincerely,

Benjamin Arthur Franco Nussdorf
