RE: BZA#20502 at 921 G St NE

Dear Director Bardin,

Capitol Hill Restoration Society's Zoning Committee supports BZA Case #20502 at 921 G St SE, namely the applicant's request for a special exception lot occupancy requirements to construct a two-story, rear addition to an existing two-story dwelling. We note that the applicants have scaled back the project from a three-story to a two-story project and that the both adjacent neighbors support the request.

Respectfully,

Elizabeth W. Hague
