

To Whom It May Concern:

As the owners of an adjacent property to 5182 Fulton St. NW, we are writing in support of the plan to add a deck, 10-12 foot addition to all three floors, and a parking pad via alley access. We feel the said project will go well with the addition we put on the back of our home at 5186 Fulton St. NW (completed in 2020) and will enhance the overall aesthetics of both backyard areas. We added a similar parking pad as part of our project. It has been much more convenient than using on-street parking and frees up additional on-street parking spaces for others in the neighborhood who don't have another parking option.

Please be in touch with us at 703-625-5596 if you'd like further information.

Sincerely,
