Statement of Outreach

To Whom it May Concern,

This letter is to state that I have been in communication with ANC 8E since February of 2024 regarding my application for the Modification of Significance. I have spoken with the commissioner and community members at their monthly ANC meeting in May of 2024 to keep them abreast of this process, and I am schedule to speak on Monday, July 1, 2024 to formally request their support in this application.

Thank you,

Shea Beltran
