Re: 3007 Albemarle St. NW (BZA 20594)

Dear Members of the Board,

I am S [REDACTED] F [REDACTED], and I live with my family at [REDACTED]. Our house shares a boundary with the property at 3007 Albemarle NW.

We have met with the Harrison's, they have shared their plans with us, and answered our questions. We have also spoken with other neighbors who are opponents of the Harrison's plans, and are aware of their concerns too. As we are new to the neighborhood we have decided not to take a position in this matter.

Yours sincerely,

S [REDACTED] F [REDACTED]
