Dear Chairman Hill,

My name is Will Leibner, I live at 3701 Northampton Street NW and am writing you to provide my vociferous support for the Maret School Athletic Fields project to be located at the ECC on Utah Avenue. This project is exactly what we should be supporting in our neighborhood--it is thoughtful, well-designed and fits nicely into the fabric of the neighborhood. The space is currently under-utilized and this project would bring it to life.

As a young parent, this facility would be a fantastic place for my family to watch and play in sporting events close to home in years to come. Furthermore, I want to be part of a neighborhood that would support progress and improvements like this wonderful project and not oppose for the sake of opposition. I also lived about 2 blocks from Maret for 10+ years and they were an engaging neighbor every day. It was wonderful to have the buzz and activity of children playing sports close to home. PLEASE approve this project; it is a no-brainer and would be a massive win for our neighborhood.

Sincerely,  
Will Leibner
