Comments in Support:

As an ECC neighbor of 25 years, I support the Maret School Athletic Fields Project. Maret has established itself as a good neighbor and a good DC citizen over many years and its plans would enhance the accessibility of youth sports in DC, and not just for Maret students. The site design and landscape elements are a vast improvement over the current lot. Finally, Maret has taken into consideration the concerns of the neighbors in its planning and would offer a far less intrusive use of the space than many other potential uses. I would welcome Maret's addition to the neighborhood.

Thank you for your consideration of my statement in support.
