RE: Comments in Support of Maret's Application

Dear Chairman Hill -

My name is Susanne Salkind and I live in the Chevy Chase neighborhood of Washington at 5431 Nevada Ave, NW. I am writing in support of Maret's application for athletic fields at the Episcopal Center for Children (ECC).

As a resident of the neighborhood and a Maret parent I strongly support this application. I believe it is a clear win/win for the ECC, the neighborhood, and Maret. It provides a vital lifeline for long-term financial stability to the ECC. It addresses a need for access to athletic fields for the community. And, it solves a resource need for Maret by providing a long-term solution to the need for athletic facilities.

I know that Maret will live into their values and be a responsive partner with the neighborhood and city. I hope that you will vote to support Maret's application for Athletic Fields at the ECC.

Please feel free to contact me if you have any questions or concerns.
