Dear Mr. Frederick L. Hill,

We are providing Comments in Support of the Maret Fields Project. My husband & I would like to write in strong support of the ECC/Maret Partnership for the proposed athletic fields at Utah & Nebraska Avenues, NW. We live in Chevy Chase DC and are frequent walkers in the neighborhood. The beautiful ECC and fields would benefit from loving renewal. Clearly this would be a major change for the neighborhood and residents there, but we believe Maret's investment in outreach to the residents and its adjustments in response to their requests, Maret's commitment to ECC's mission, the public good it would offer to other DC constituencies, and the environmental features – all of this argues in favor of supporting the development.

I can be reached at:

5519 Chevy Chase Pkwy NW, DC 20015

Thank you for considering our statement.

Sincerely,
Ingrid Creppell & Bob Mudge
