Dear Board,

I am an ANC Commissioner in 2E01 and many of my constituents attend Hardy Middle School, use the Jelleff Rec Center, and attend the afterschool program there. Regarding BZA Case # 20643, I am writing to support the ANC 3/4G condition that "Maret shall negotiate with DPR to end its agreement for use of the Jelleff field at 3265 S Street, NW - including both Maret's obligations for maintenance of the field and Maret's preferential use of the field - effective when the Athletic Facilities Project is complete and operational. Maret shall report to ANC 3/4G and ANC 2E on its efforts to negotiate an expeditious end to the Jelleff field agreement with DPR."

Two sentences about who you are and why you support this. (EXAMPLE #1: I am the ANC Commissioner that represents Hardy Middle School. Due to the 20-year lease between DPR and Maret on the public Jelleff field, student athletes at Hardy Middle School must travel great distance to practice and compete. A condition to developing the field at ECC should be ending the agreement on the public Jelleff field. Public school students should be able to practice and compete on this field that is conveniently located across the street from them and Maret should commit to this condition.)

Thank you.
