Dear BZA:

Regarding BZA Case # 20643, I am writing to support the ANC 3/4G condition that

“Maret shall negotiate with DPR to end its agreement for use of the Jelleff field at 3265 S Street, NW--including both Maret’s obligations for maintenance of the field and Maret’s preferential use of the field--effective when the Athletic Facilities Project is complete and operational. Maret shall report to ANC 3/4G and ANC 2E on its efforts to negotiate an expeditious end to the Jelleff field agreement with DPR.”

I am a DC resident and a parent at DCPS’s Duke Ellington High School, whose DCPS field was ***taken away from our school*** by the mayor to provide a public recreation area to make up for the loss of the public Jelleff field as a result of the extended lease between DPR and Maret at Jelleff. A condition to developing the field at ECC should be ending Maret's agreement on the public Jelleff field, so Jelleff can once again be used BY the public.

I write now to ask that you support the ANC 3/4G condition, which will begin to make up for the community loss of Jelleff. Maret should commit to it.

Thank you.
