Hi Mark,

Thanks for reaching out. I looked at our internal tracking sheet and it does not look like this case was on our radar, but I am awaiting confirmation from Aaron Zimmerman, copied here.

When is the hearing? We have a couple of comments we'd want to note for the record, namely:

- The plat map shows some sort of structure associated with the private building in the alley. This needs to be removed. All structures associated with the private building need to be on private property.
- The plat map shows a gate swinging into the alley. The gate needs to be revised to swing into private property.

Jonathan

Hi Anna & Jonathan,

Apologies for the very late notice. Was there a DDOT report for BZA 20700?

Best,
