**RE: ANC 8B Executive Meeting and Project Support for BZA Case No. 20710A**

Dear Chairman Hill and Board Members,

I am writing on behalf of ANC 8B and the surrounding community, following several months of discussion regarding the development project at 2340 Ainger Place, SE/ **BZA Case No. 20710A**. Although the ANC 8B Commission was unable to hold a September meeting, we convened an executive session where all commissioners unanimously agreed to support the project. Unfortunately, due to the community protest following the tragic murder of Mr. Robinson, we were unable to hold a public vote.

After carefully reviewing input from various government agencies, including the Office of Planning, the Public Space Commission, DDOT, and DOB, the ANC 8B Commission reached a consensus in support of the project. We are confident that the project will not negatively impact the community.

While the public meeting to formally vote on this matter was canceled due to protests, I want to emphasize that ANC 8B Commission fully supports the project based on all the available information. We hope this letter helps to clarify our position, even in the absence of a formal vote, due to the extenuating circumstances.

Sincerely,

A handwritten signature in black ink that reads "Joseph B. Johnson".

Joseph B. Johnson  
Chair ANC 8B, Commissioner 8B05
