DDOT’s lack of objection to this application should not be viewed as an approval of the public realm design. If any portion of this or future projects at the property propose elements within District owned right-of-way, Applicant is required to pursue a public space permit through DDOT’s permitting process. The Applicant should refer to Titles 11, 12A, and 24 of the [DCMR](#), the most recent version of DDOT’s [Design and Engineering Manual \(DEM\)](#), and the [Public Realm Design Manual](#) for public space regulations and design guidance. A permit application can be filed through the DDOT [Transportation Online Permitting System](#) (TOPS) website.
