

Government of the District of Columbia

Department of Transportation

d. Planning and Sustainability Division

MEMORANDUM

TO: District of Columbia Board of Zoning Adjustment

FROM: Anna Chamberlin, AICP 
Associate Director

DATE: June 10, 2022

SUBJECT: BZA Case No. 20738 – 1609 G Street SE

APPLICATION

Trin Mitra & Paromita Shah (jointly the “Applicant”), pursuant to Title 11 (2016 Zoning Regulations) of the District of Columbia Municipal Regulations (DCMR), Subtitle X, Chapter 9, requests special exception from the lot occupancy requirements of Subtitle E § 304.1 to construct a third story and three-story rear addition with cellar to an existing attached two-story with cellar principal dwelling unit. The site is in the RF-1 Zone at 1609 G Street SE (Square 1092, Lot 18) and is served by a 15-foot rear public alley.

RECOMMENDATION

The District Department of Transportation (DDOT) has reviewed the application materials and has determined that the proposed action will not have adverse impacts on the District’s transportation network. DDOT has no objection to the approval of this application.

STREETScape AND PUBLIC REALM

DDOT’s lack of objection to this application should not be viewed as an approval of the public realm design. If any portion of this or future projects at the property propose elements within District owned right-of-way, the Applicant is required to pursue a public space permit through DDOT’s permitting process. DDOT expects the adjacent public realm to meet all District standards. The Applicant should refer to Titles 11, 12A, and 24 of the [DCMR](#), the most recent version of DDOT’s [Design and Engineering Manual \(DEM\)](#), and the [Public Realm Design Manual](#) for public space regulations and design guidance. A permit application can be filed through the DDOT [Transportation Online Permitting System](#) (TOPS) site.
