Subject: RE: Appeal 21057 - Seeking to Continue 9/11/24 Hearing

Good morning,

If consent has been obtained, we would just need acknowledgement from those parties. This will allow the Board to process the request faster and schedule for a new date if granted. Emails from the property owner and Appellant are sufficient and can be sent to bzasubmissions@dc.gov.

Let me know if you have any other questions!

Subject: Appeal 21057 - Seeking to Continue 9/11/24 Hearing

Good morning, Ms. Mehlert,

I hope you are well. I am representing DOB/OZA in Appeal 21057 concerning 622 I St NE. This appeal is set to be heard on September 11, 2024. However, the permit holder has filed an application for relief (20280A) set to be heard in November that might eliminate the need for a hearing on this appeal. I obtained consent from the permit holder through counsel and from the appellant, Commissioner Eckenwiler, to seek a continuance of the September 11 hearing. I plan to file a written continuance motion through IZIS today. Is there anything else I should do to make this easier and faster for the Board to process? Please feel free to give me a call on my cell if needed - 202-860-9834. Thank you in advance for your help.

Sincerely,

Board of Zoning Adjustment
