Dear Mr. Aborot:

On August 22, 2024, the District of Columbia Public Space Committee (PSC) **Approved Concept Design** your application for Paving: Curb and Gutters, New Commercial Driveway in public space under the following conditions:

1. The PSC approved the design concept for the driveway.
2. The applicant must upload the final plan prior to issuance of the permit.

Failure to meet all requirements, modifications, and conditions set out in application and this approval; fully execute the application and obtain the issued permit within six (6) months of the date of this letter will result in the cancellation of your application. If your application is cancelled, it may be permanently withdrawn from future consideration by the Public Space Committee; you will be required to restart the process and submit a new application for the requested activity in the District's Public Space.

If you require further assistance with the processing of this application, please schedule an appointment with your assigned Technician, Ms. Catrina Felder, 202-442-4960 or by email at catrina.felder@dc.gov. Thank you for your commitment to improving the District of Columbia's Public Space!

Sincerely,
