**Re: Request to Postpone Hearing Date: BZA Application No.21080**

Dear Chairman Hill:

I am writing to request a Motion for a Postponement of the scheduled hearing/meeting date from December 18, 2024 to the next available hearing/meeting date. I am requesting this postponement for the following reasons for postponement.

Upon requesting a ZA memorandum from DOB after PDRM meeting was held we had to take several steps to apply for the subdivision. In the permit application system our address does not show up so if there is not a permit application we can not get a ZA memo. Mamadou Ndaw has referred my case to someone that can help locate my address in the system.

A postponement would be the most prudent in this case so that the right variances are requested per the board's recommendation.

Thank you for consideration of this request.

Sincerely,  
Lona Alia (Owner)
