Re: Request to Postpone Hearing Date: BZA Application No._21080

Dear Chairman Hill:

I am writing to request a Motion for a Postponement of the scheduled hearing/meeting date from May 14, 2025, to the next available hearing/meeting date. I consent to the request by the applicant due to the due to the Office of Zoning not being able to provide the applicant with a BZA memo in time and therefore the applicant is unable to present to the BZA on May 14, 2025.

As I understand it, the applicant has the option to self-certify, however the Office of Planning would need significantly more time to give their recommendations, so their best option is to postpone at this time.

Thank you for your consideration of this request.

Respectfully,

Mark Galvan
