CONCLUSIONS

This request for extension is pursuant to Subtitle Y § 705 of the Zoning Regulations, which permits the Board to extend the time periods in Subtitle Y § 702.1 for good cause shown upon the filing of a written request by the applicant before the expiration of the approval.

Pursuant to Subtitle Y § 705.2(a), the Applicant shall serve on all parties to the application and all parties shall be allowed 30 days to respond. Pursuant to Subtitle Y § 705.2(b), the Applicant shall demonstrate that there is no substantial change in any of the material facts upon which the Board based its original approval of the application. Finally, under Subtitle Y § 705.2(c), good cause for the extension must be demonstrated with substantial evidence of one or more of the following criteria: (1) An inability to obtain sufficient project financing due to economic and market conditions beyond the applicant's reasonable control; (2) an inability to secure all required governmental agency approvals by the expiration date of the Board's order because of delays that are beyond the applicant's reasonable control; or (3) the existence of pending litigation or such other condition, circumstance, or factor beyond the applicant's reasonable control.

Based upon the record before the Board and having given great weight to the appropriate recommendations and reports filed in this case, the Board finds that the Applicant has met the criteria of Subtitle Y § 705.2 to extend the validity of the underlying order.

Pursuant to Subtitle Y § 705.4, the Board's decision on the request shall be in writing and shall become final and effective upon its filing in the record and service upon the parties.

DECISION

It is therefore **ORDERED** that the request for a two-year time extension to the validity of the Board's approval in Order No. 21081 is hereby **GRANTED**, and the Order shall be valid until **April 17, 2028**.
