Subject: Re: 1801 D ST NE Support letter

Thank you. With that change, we would support the application. We anticipate joining the meeting this evening. If we are unable to, we are comfortable with you representing that we support the proposal, contingent on the west facade being faced fully in brick.

Hi Analiese;

I am copying Matt (Architect) as well

Matt;

Let's do brick on the South and West facade. The drawings showing panels on the West facade.

Thank you
