Good afternoon,

I'm an Eckington resident, living right by the corner of North Capitol & Rhode Island Ave. I want to voice my support in favor of bringing Indigo 2 to the neighborhood.

I've long been a fan of the original Indigo restaurant - it's one of my favorite take-out spots, and I would love to have something closer! I think this would be a huge value add to the neighborhood, especially with its proximity to the new Reservoir Park and Rec Center. I've also eaten at the original Indigo numerous times, and never saw any evidence of noise or nuisance - people were enjoying the food and drinks, but the volume never reached anything that could be even remotely disruptive to neighbors.

As our neighborhood continues to grow, I hope that bringing in more delicious, affordable, and family-friendly restaurants like Indigo 2 is a priority, as these types of amenities help make our neighborhood feel like more of a community and a more welcome place to live.

Thank you for considering my input.

Best,
Hannah Putman
