Hello,

I am an ANC 5E resident writing to share my support for the Indigo 2 development on N. Capitol Street in Bloomingdale.

My husband, Bryan Hayes, and I are homeowners at 26 Bryant St. NW, the same block and side of street as the proposed restaurant. We would share an alley with the business.

Our family is very excited by the possibility of this development and to have a new, walkable eatery in our neighborhood. I have been impressed by the owners' neighborhood engagement and plans to address resident concerns, and had the opportunity to ask the owner questions directly during the open house he held at the property last year.

As some of the most impacted residents, we strongly believe that Indigo 2 would be an asset to our community, not a nuisance, and ask that our ANC representatives support the requested variance.

Respectfully,
Rachael Brown and Bryan Hayes
