BOARD OF ZONING ADJUSTMENT

Applicant's Form 150 Statement of Dinesh Tandon and Nidhi Tandon
2324 North Capitol Street, NW (Square 3124, Lot 143)

This memo is submitted in follow up to Form 150 and Applicant's request for a waiver of the 30 day requirement for supplemental submissions. The Applicant desires to submit the attached Statement which adds a statement in support for the use variance that was added as an additional form of relief to an area variance in an amended application filed on March 5, 2025. For the most part the attachments to the statement are already in the record including the property photos and plans. What is additional is a historic preservation analysis and records from a previous Alcohol Beverage and Cannabis Board ("ABCB") records relative to the Property which may be familiar to the parties in the case many of whom participated in the ABCB proceedings. As a result, this late filing should not prejudice any party. The reason for the late submission is an oversight on the part of counsel coupled with IT difficulties in filing the statement and serving the parties.

Respectfully Submitted,

Cynthia A. Giordano
