Please accept this written testimony from me in support of Mr. Tandon's application concerning his restaurant.

I find his intended use and purpose reasonable and attractive and fitting with the character of the neighborhood, where I have lived since August. 2016. We are sorely in need of any restaurant and watering hole as we have none for many blocks in all directions. Mr. Tandon is a proven successful entrepreneur and restaurateur so we are lucky that he is interested in putting his new spot with us.
