

Driver parked car and entered restaurant. I left after ten minutes.

Each driver went in to the restaurant.

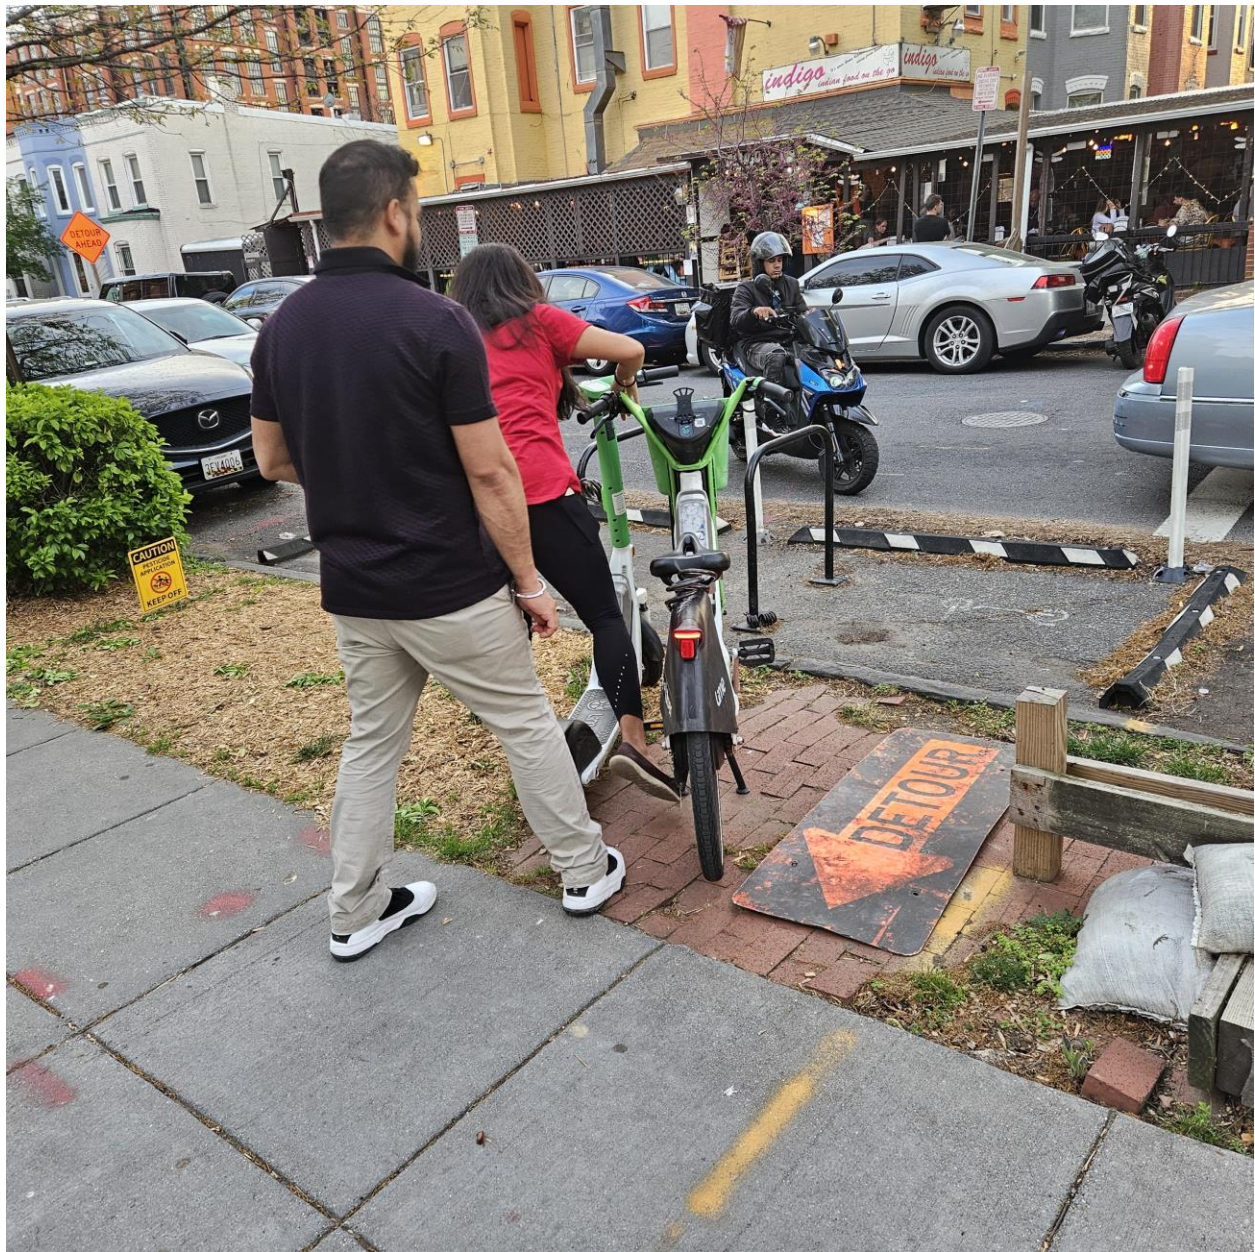

Driver of red car went into restaurant and came out ten minutes later with take away.

Note parking sign and four delivery mopeds. Three of the four executed u turns and encroached the crosswalk.

Patrons parking bikes in the grass. Note empty bike and moped parking area.

Mopeds outside of parking zone.

Neighborhood significantly different than Bryant Street. Also, Uber / Lyft dropping off patrons which went to Indigo, in crosswalk at intersection.
