I write this email in strong opposition to the zoning changes and variances requested by the applicant. If approved, the applicant will open a restaurant which is not appropriate for our quiet 100% residential neighborhood. Such a restaurant will bring increased traffic and drastically affect parking and safety at the Bryant, Channing and Southbound North Capitol, which already has a significant amount of crashes and deaths. If successful, this restaurant would bring dozens of patrons per hour which is not in keeping with the existing residential neighborhood. I would welcome the originally proposed coffee shop and corner store. That would fit in with the culture and vibe of our neighborhood. I am a businessman myself. I welcome a business that is suited for a corner store.
