Dear Huma,

I wanted to reach out with regards to the plans for Indigo to make its new home in our neighborhood.

I want to start by saying just how excited we are! Bloomingdale, and Stronghold especially, suffer from a shortage of restaurants and grocery stores, so to have such an iconic Washington restaurant fill an otherwise desolate corner is a total game changer!

Having lived in the neighborhood, now on both sides of North Capitol, for over five years, I know what a difference it’ll make to be able to stay in the neighborhood and simply walk to Indigo for a meal.

We are so lucky to have such a fantastic restaurant in our neighborhood! Please let me know if there is anything I can do as a resident to support more great ideas like it.

Thanks for all that you do to help us build community!
