To whom it may concern,

I am writing as a resident of northern Bloomingdale (First Street NW) to express my strong support for the new Indigo restaurant planned for North Capitol Street NW. Having frequently visited their establishment near H Street, I can attest to its calm, family-friendly atmosphere, devoid of any disturbances from patrons or the business itself. I am confident that Indigo will bring the same positive environment to our neighborhood, offering a valuable dining option for both current residents and future visitors to the Reservoir District.

In the past, I lived close to several restaurants in Shaw (6th and Q Streets NW) and understand that while minor issues like irregular trash collection schedules can occur, these can be effectively managed through good communication and cooperation among neighbors, businesses, and the Advisory Neighborhood Commission (ANC).

It is crucial that we support the introduction of new and small businesses into our community rather than opposing them due to unfounded fears. Embracing these enterprises can lead to mutual benefits and foster a spirit of goodwill.

I am disappointed with ANC5E's stance on this matter and urge the zoning commission to approve the necessary permits for Indigo without further delay.

Thank you for considering my views.

Sincerely,  
Greg Fuller  
First Street NW and V Street NW
