

BZA Case 21157

Response to the Party in Support's Motion to Strike

We are happy to remove the picture that Mr. Itteilag takes issue with on page 10, and have submitted a new version without this picture, given we have hundreds if not thousands of pictures of objectionable conditions. Hopefully this resolves Mr. Itteilag's Motion to Strike.

We also take issue with the tone and the continuing personally denigrating submissions by the Party in Support but refuse to engage and prefer the focus to be on the legal issues and requirements for zoning relief that we believe we have proven that the Applicant does not meet.

Thank you in advance for your consideration of this matter.
