Dear Board -

I am writing in support of this application. Honesty, it’s very disappointing just how much red tape exists in the District. We are talking about literally serving tea. Hot water and tea. For goodness sakes, situations like these are the illogical big government nonsense that stifles economic development and community character. This is even a waste of hard earned tax dollars to have folks spend time on this. But hey, it’s DC.

Please support this.

Cheers,
