

Jessica Smith testimony

Impact of 627 A St NE development on 625 A St NE

View of 625 A St NE backyard 7:20a

Temporary wall 22" high and 13" extended into backyard (photo taken 11:18a)

Backyard temporary wall simulating 22" height of west wall and 13" extension into yard (11:22a)

Rough graphic mockup of what the full structure would look like from my backyard, minus the juliet balcony and windows

11:22 view from backyard with temporary wall

4:36pm afternoon sun hits the wall, but by that time, the garage is shading patio

720a morning sunlight from the east is blocked
