Re: WITHDRAWAL OF SUPPORT for BZA/IZIS Case 21163
Application of Kaely Michels-Gualtieri
627 A St NE

I am withdrawing my letter of support for the application/petition by Kaely Michels-Gualtieri, IZIS case #21163.

I previously signed a letter of support after being told the project was a "carriage house." I did not review the drawings, as indicated in the earlier letter of support, because I trusted Ms Michels-Gualtieri would build something in keeping with the neighborhood and with consideration for her neighbors. After learning of the outsized scale of the building, which would require special exceptions in order to be built so large, and would severely impact the light, air and privacy of her neighbors, I have decided to withdraw my support.

Thank you,

Solveigh McCulloch
