> Dear Zoning,  
>  
> I am a neighbor (631 A St NE) a few doors down from 627 A St NE. I oppose the scope and scale of renovation project proposed at 627 that is requesting 4 zoning exceptions.  
>  
> I do not oppose building within the laws but this is clearly not. This proposed additional full house would be a hardship on the neighbors and leave an irreversibly negative impact on the community.
