Resending to attach the photo of the letter with postmark...

Dear zoning office: We write to report that we are the next door neighbors to the proposed addition at 627 A St NE, project #21163, and we never received any notice of the hearing (now set for Oct 9) within the 45 days as required by law. Then all of a sudden we received notice in a message postmarked Sept 5, photo attached.

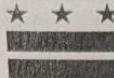

I note that the date of the hearing according to that letter (see attached) is Oct 2, further evidence that this letter was printed sometime this summer (before the hearing date was delayed by one week) and discovered/sent when neighbors started to complain about the lack of notice. If this was indeed a last minute "courtesy" mailing, then surely the correct date of the hearing would have been indicated therein.
