Ms Smith

This email is to confirm that we didn't receive the June notice on this development; we are located at 634 East Capitol St NE

As neighbors who recently completed a renovation following existing rules to the letter (which prevented us from going up a third story in an addition because of our basement's 6in in extra height above ground) we are here to support you and others in making sure everyone else remains in full compliance.

Let us know how else we can help

Regards
