Dear ANC 4C,

How are you? This email is to request to present to the ANC meeting for the project BZA Application located at 1374 Taylor St NW (BZA 21171, Dob B2307935)

Based on the feedback we received from BZA during a recent hearing, the project is recommended for approval. However, they requested we present to the ANC and also receive the ANC's feedback on the project.

Please let me know of your earliest availability for this presentation. I am happy to share the documents before the meeting as to reduce the time dedicated to the presentation.

We already complied to the neighbor notification communication required by BZA.

Thank you for your attention to our case,  
ileana
