Hello Mr. Sobelsohn and Mr. D'Andrea,

This is to notify you of BZA case 21180, which will be heard before the Board on October 23, 2024. I am contacting you on behalf of Kelly Voss and Steve Kaplan; I am their architect. I have already notified Mr. D'Andrea and asked to be on the agenda for the ANC6b Planning & Zoning Committee meeting on 9/5, which would also put us in front of the full ANC6b for their meeting on 9/9. We will be presenting for both BZA and HPRB approval at these meetings (HPRB date is 9/26).

You can find the documents that have been submitted to BZA here:

<https://app.dcoz.dc.gov/Home/Search>

Again, we are case 21180.

Please do not hesitate to contact me if you have any questions or if you would like additional information.

Best,

Missy Boyette
