Hello Mr. Callcott and Mr. Jones,

This is to notify you of BZA case 21180, which will be heard before the Board of Zoning on October 23, 2024. I am contacting you on behalf of Kelly Voss and Steve Kaplan; I am their architect.

You can find the documents that have been submitted to BZA here:

<https://app.dcoz.dc.gov/Home/Search>

Again, we are case 21180.

And as you are aware, we have also submitted for HPRB approval and are scheduled for the 9/26 hearing date.

Please do not hesitate to contact me if you have any questions or if you would like additional information.

Best,  
Missy Boyette
